2018 UNITED WAY CAMPAIGN AWARDS
Celebrating the Giving Spirit of Northeast Mississippi

United Way of Northeast Mississippi
UnitedWayNEMS.org
A MESSAGE FROM THE 2018 CAMPAIGN CHAIR

Thank you to everyone who participated in the 2018 United Way campaign and helped us not only reach but exceed our goal. Because of your generosity, our funded partners will continue to provide programs that are advancing Academic Success, Health, and Family Stability in our region. This campaign required a lot of hard work and a little bit of creativity -- the brand new $50K Giveaway was what put us over the top! Still, every dollar we raised will improve lives in our local region. Thank you so much for investing in our communities and the lives of our neighbors.

David Wilson
President, North Mississippi Medical Center
The Julius G. Berry Volunteer Service Award recognizes a volunteer who has shown a commitment to philanthropy, leadership and community spirit in the likeness of J.G. Berry, one of the founders of the Lee United Neighbors, now known as the United Way of Northeast Mississippi.

Mr. Burton B. Hosch, or B.B. as he prefers to be called, is a graduate of Murrah High School in Jackson, Mississippi. He earned his B.S. in Accounting from Mississippi State University, a Juris Doctor degree from the University of Mississippi School of Law and a graduate degree from the Southwestern Graduate School of Banking at Southern Methodist University.

Formerly the Tupelo Community Bank President for Renasant Bank, B.B. retired a few years ago, but he has not retired from serving his community. He serves on the boards of the Neighborhood Development Corporation and Renasant Bank, and he has previously served on the boards of the North Mississippi Symphony Orchestra, the Gumtree Art Museum, the Boy Scouts Yocona Area Council, the Rotary Club and the International Alumni Association for Mississippi State University, where he is still very active. He volunteers with Helping Hands through the First United Methodist Church in Tupelo, where he also serves as the Vice Chairman of Endowments and Chairman of the Finance Committee and is a member of the Lay Leadership Team and the Nominations Committee.

B.B. has served on the United Way Board of Directors for many years in various positions. Most recently, he was Chairman of the Board in 2017 and served several terms on the investments committee.

B.B. is married to Patty Hosch, a retired teacher, and they have two daughters. Ann and her husband, Rob, live in Alexandria, Virginia, with son, Barnes, 11, and daughter, Ronan, 9. Wurth and her husband, Chris, live in Raleigh, North Carolina, with daughter, Mary Douglas, 4 months.

We thank B.B. for his years of service to United Way and all of our region. We are proud to honor him with the J.G. Berry Volunteer Service Award in recognition of his commitment to serving his community.
The Distinguished Service Award honors a company that uses creativity and innovation to advance United Way in the workplace.

This year’s recipient is the Tupelo Public School District. TPSD had their largest ever increase during the 2018 campaign (28.3%), and they had fun doing it! Gregg Ellis, communications director, served as Employee Campaign Coordinator and streamlined the school campaign scheduling process, making it easier for principals and school campaign coordinators. Plus the leadership of superintendent Dr. Rob Picou (and his Leadership gift) set the stage for a great team effort that built morale district-wide. Principals made giving extra fun by offering tshirt & jeans days as incentives. The result: $52,336 raised!

The Achievement Award recognizes the campaign with the largest dollar increase for campaigns over $10,000.

Lee County Schools continued to increase their giving across the district with a total of $66,847 raised in 2018! That’s an increase of almost $14,000 from the year before.

Lee County Schools continues to support United Way district-wide by hosting campaign meetings in each of the schools throughout the district. The generosity of the teachers, staff, and administrators continues to grow!
The Advancement Award honors the organization with the largest dollar increase for campaigns under $10,000.

This year’s honor goes to Martinrea Automotive Structures. They raised $15,771 in 2018, an increase of $8,600 and 83% over the previous year! Martinrea is one of many Toyota suppliers in our region and serve as an excellent example of how industry can support our community.

The Progress Award recognizes the organization with the largest percentage increase for campaigns over $10,000.

General Atomics continues to amaze with their campaign growth. They raised over $41,100 in 2018. That’s an increase of 44% from the previous year. General Atomics has a very generous corporate matching program that helps making giving even more impactful for employees!

The Growth Award honors the organization with the largest percentage increase for campaigns under $10,000.

Baptist Memorial Hospital in Booneville increased their 2018 campaign giving by 164%! The increase can be attributed to having United Way present at a series of town hall meetings, giving employees a chance to hear firsthand how their investments improve their community. Hearing the United Way story in person makes a big difference in a workplace campaign.
Lisa Hawkins has been a supporter of United Way for many years because she herself was awarded a nursing school scholarship through United Way. Lisa is an amazing example of giving back to the organizations and community that has helped her become so successful.

Lisa was the chair of the committee for our first ever $50K Giveaway, and she is one of the reasons the giveaway was such a huge success! Lisa’s leadership and community connections made it possible for her to recruit amazing volunteers, sell more tickets and get more publicity for the giveaway. Thank you so much, Lisa!

Our first-ever $50K Giveaway raised over $245,000 for the campaign. Many thanks to everyone who bought a ticket!

On February 14, we held the drawing live on WTVA 9 News. Courtney Cowley was the lucky winner! Courtney is a nurse at North Mississippi Medical Center, and her husband, Kevin, works at Toyota Mississippi.

The two are newlyweds and live in Guntown. They plan to use the winnings to help build a new home and start a family.

THANK YOU TO ALL THE EMPLOYEE CAMPAIGN COORDINATORS (ECCS)

who work within your companies to coordinate the United Way campaign. From scheduling meetings to collecting pledge forms and, most importantly, being the on-site cheerleader for United Way, everything you do helps your workplace campaign be successful. Your hard work helps fund United Way programs, organizations and initiatives that serve thousands of people in our region each year.
Leadership Giving

Leadership givers lead by example with generous gifts of $500 or more. Leadership donors give through workplace campaigns or make individual gifts directly to United Way. These investments create powerful, sustainable impact in our region.
